

We live in a generous state with citizens who have made investments in the quality of life we enjoy today through charitable giving. To continue this proud tradition of giving, the Community Foundation is privileged to offer the Endow Iowa Tax Credit, a 25% state tax credit on qualified gifts.

Endow Iowa Qualified Gifts Must Be Made:

- Through a qualified community foundation.
- To a permanent endowment fund with a limited annual distribution of 5%.
- For the benefit of Iowa charitable causes.

How it Works:

A variety of gifts qualify for Endow Iowa Tax Credits including cash, stock, real estate, business interests, personal tangible property, retirement plans, life insurance, agricultural assets and more.

Tax credits of 25% of the gifted amount are limited to \$300,000 in tax credits per individual for a gift of \$1.2 million. No minimum gift amount is required to qualify for Endow Iowa Tax Credits.

Endow Iowa Tax Credits are available on a first-come, first-served basis until the yearly appropriated limit is reached. If the current year's tax credits have been exhausted, qualified donors are eligible for the next year's Endow Iowa Tax Credits.

All qualified donors have five years to use their Endow Iowa Tax Credits.

Qualified donors include individuals, businesses, trusts and estates.

Consult your tax advisor regarding the federal deductibility of Endow Iowa qualified contributions.

DAN AND JOANIE HOUSTON

At the Community Foundation we believe we are better together — a belief shared by Joanie and Dan Houston.

“Great communities are built by citizens who understand, appreciate and value that quality of life improves when we all have the chance to prosper and be successful,” shares Joanie. “It is important to Dan and me that we leave our workplaces, family and community stronger than when we started.”

The Houstons have ensured that their support will continue for generations to come by opening an Endow Iowa donor advised fund at the Community Foundation. Endow Iowa provides a unique opportunity to provide a long-term impact by establishing a permanent endowment benefiting Iowa charities of the donor’s choice. In recognition of this investment in the future of our state, donors receive a 25 percent state tax credit for gifts to Endow Iowa funds.

“The Endow Iowa program is a testament to the foresight and collaborative spirit of our legislative leaders, the community foundation network and our state’s donor community,” says Dan. “They recognize that Iowans are highly motivated to help future generations build upon the success we enjoy in our state today. The Endow Iowa Tax Credit program is a wonderful way to nudge Iowans toward making significant contributions for the future of the communities we call home.”
