

CORPORATE GIVING SERVICES

Customizable Suite of Services

The Community Foundation offers customizable options within our Corporate Suite of Services allowing your company to select the supports needed to ensure the most advantageous partnership. Our staff members work with your team to develop a philanthropic plan that allows for your greatest charitable impact in the community and more time for you to remain focused on your bottom line. Below are some of the services provided by the Community Foundation your company can choose to most effectively meet your charitable goals.

Facilitate a planning meeting to establish or review grant priorities for your company's grant program.	Research and gather community needs information on a particular area of focus for the grant program.	Develop an application (including online options) to facilitate your company's charitable giving.	Promote grant availability through releases and other online portals.
Field phone calls and correspondence from grantseekers related to your company's grant program.	Identify eligible, potential grantees and connect them to your company's grant opportunity.	Receive, review and conduct necessary due diligence on all grant applicants.	Maintain database of all grant requests, grant distributions and status.
Provide grant recommendations for your team's consideration.	Process grant payments, agreements, reporting requirements and recognition requests.	Process grant declination letters to organizations not selected for funding.	Oversee grantee accountability by securing final reports and answering interim questions.
Conduct grantee site visits providing summary feedback to your team.	Develop and deliver customized charitable giving cards for employees, vendors, clients, etc.	Develop a personalized donor advised fund program for your executive team.	Conduct on-site trainings to support employees in their roles as nonprofit board members.
