

ADMINISTRATIVE FEE SCHEDULE

The Community Foundation is about more than transactions; we are about transformation. While fees collected for funds held at the Community Foundation support the processing of grant checks, accepting and acknowledging donations, completing annual audits and reporting; our fees also make you part of the change we enable in the communities we serve. It's the community convenings, the strategic grantmaking, the donor-connections, the facilitated dialogues, the nonprofit trainings and the promotion of charitable giving that ultimately transforms the communities we call home. Thank you for joining us to improve quality of life in your community. We're simply better together.
