**Special Instructions to Community Foundation Staff:**

## Grant Entry

You'll see this form every time you choose to recommend a grant. If you recommend a grant to a nonprofit in our database, the information will be complete. When granting to nonprofits that are not in our database, please fill out the entire form.

On the form you can select if you would like to recommend the grant as a single or recurring payment. The fund balance available for granting is listed for your reference to assist you in selecting the recommended grant amount. This screen also allows you the opportunity to make your grant recommendation anonymous or write special instructions for the Community Foundation staff.

Select **Submit** to complete the grant recommendation.
