Project Name	Mary Miss, Greenwood Pond: Double Site, 1989-1996
Project Description	This is the first urban wetland project in Iowa and in the nation. It contains layered spaces, wooden and screen lookouts, a
	multileveled bridge, cantilevered walkway, pavilion, and pathways. Visitors walk and explore the waters edge or go below the
	surface of the ground to sit at eye level with the pond. The unstable work needs extensive care.
Campaign Coordinator(s)	Jeff Fleming
Timeline Financial Goal	Phase 1, removal of unsafe elements completed. Phase II and III to start in 2014, provided ample funding. \$550,000
	\$220,000
Funding Secured to Date	Time, flooding, and vandalism have contributed to deterioration. Treatment requires input from engineers and landscape architects.
	Damaged elements must be replaced with galvanized steel, with artist's permission. Repair of damaged materials and washed out soil,
	graffiti removal, and regular maintenance is necessary to keep the area clean and safe.

Project Name	Mercy Behavioral Health Relocation and Renovation Project
Project Description	Mercy's Behavioral Health program, serving individuals with mental health illness and substance abuse issues, will be relocated from
	an off-site facility to a renovated floor at the downtown hospital. As a result, Mercy will be able to serve more patients, create a more
	efficient co-occurring care model and provide a quality healing environment.
Campaign Coordinator(s)	Shannon Duval
Timeline	Fundraising efforts will occur from November 2013 through April 2014, with the goal of having all philanthropic funds raised by
	April 2014. One to three year pledges are being sought to support these vital efforts.
Financial Goal	\$10.4 million
Funding Secured to Date	\$2 million
a analing secured to Date	Mercy provides behavioral health services to 6,900 Iowa children and adults annually, including inpatient hospitalization, outpatient
	substance abuse and mental health evaluations. Through this campaign, we will be able to improve vital services to the growing
	number of patients needing this care each year.

Project Name Emergency Shelter Expansion	
Project Description Providing safety, shelter, and care to youth in crisis is the cornerstone of YESS' services. However, for every child who sta	
YESS, one is turned away. In response to this growing need, the agency is expanding its emergency shelter and supportive is below to the provide the theory of the second second active interview.	services to
help children struggling with trauma, mental health issues, and crisis situations.	
Campaign Coordinator Stephen Quirk Campaign Chair(s) Don Blumenthal & Libby Nelson	
Construction began in April 2014; project completion expected in early spring 2015. Service provision will be incremental,	with a
three-year growth plan in place. Two living units will open in 2015 with an additional unit opening in 2016; all four new ur	
fully functioning by 2017.	
Financial Goal \$4,200,000	
Funding Secured to Date \$2,450,000	
Additional Information The expansion continues YESS' longstanding tradition of caring for our community's most at-risk and trauma-impacted ch	
The two-story, 19,000 sq. ft. addition will include 32 single beds as well as spaces for four classrooms, a library, and musi therapy studies	and art
therapy studios. Project Goals:	
1) Increase number of licensed beds from 60 in 2014 to up to 92 in 2017	
2) Triple the number of children served across agency programs within three years (800 children served in 2014 to 2,400 in	2017)
